Let our Teaching Artists* bring their professional backgrounds and expertise into your classroom! Steeltown Teaching Artists are all working professionals with film production backgrounds. Their real world skills and experience can enhance the education of your students by giving them an understanding of the industry as well as comprehensive film production skills.

Whether it's a one-time workshop or regular placement in the classroom, our programming will help prepare students in ways that stretch far beyond the practical skills of production and stretch into professional development that includes working cooperatively in teams, communicating professionally, working within budgets and deadlines, and much more.

Workshops & Professional Development

Workshops are available to students ranging from elementary through high school, as well as professional development for teachers and administrators.

We will work with you to make sure the curriculum is focused and specific to your goals and objectives for the session.

(All workshops include 1-2 teaching artists, based on number of attendees. Additional teaching artists available by request at the below hourly rate.)

In-School & After-School Regular Programming

Regular programming through Steeltown affords schools the opportunity to enrich the understanding and education of film production to their students on a thorough and consistent basis.

Available as frequently as needed, Steeltown Teaching Artists can offer anything from supplementing an already robust and fully-equipped program and instructor, to providing a fully functioning program: curriculum, instruction, and equipment brought into the classroom.

\$45/HR per Teaching Artist

+\$90/WK for prep for 1-2 days per week in school

+\$135/WK for prep for 3-5 days per week in school

Example: For a TA to come to your school/program 2 days a week for 3 hours each day, the cost would be: $\$45 \times 3$ (hours per day) $\times 2$ (days per week) = $\$270$ + $\$90$ (per week for prep) = $\$360/\text{wk}$
